Heythrop College
Privacy and Cookies

Privacy Statement

Heythrop College will only use any personal data collected during your use of this website in accordance with our Data Protection Policy, subject always to current UK data protection legislation.

Cookies

The Heythrop College website uses Google Analytics to collect information on how visitors use our site. This information is used to create reporting and analysis to allow us to improve the site for our users. The cookies used by Google Analytics collect information in an anonymous form, including the number of visitors to the site, where visitors have come to the site from and the pages they visited. By continuing your navigation of this site, you are consenting to the College collecting and using your information for the purposes stated above.

You can disable Google Analytics tracking on your browser by following the instructions on the Google site.

You can find out more about cookies and how to view or remove them at
